PROFESSIONAL SUMMARY:

Passionate front-end developer with strong foundations in HTML, CSS, JavaScript, React, and back-end experience with MERN stack. Gained hands-on experience during an internship building responsive, user-friendly web apps. Skilled in clean code and eager to learn new technologies. Seeking a remote position to apply my skills and grow professionally.

SKILLS:

- | | | |
|--|--|---|
|  HTML |  MongoDB |  Firebase |
|  CSS |  Express |  Figma |
|  JavaScript |  Node.js |  Chakra UI |
|  React |  Prisma |  Git |
|  Java |  Tailwind CSS |  Sass |

PROFESSIONAL EXPERIENCE:

Intern, IntrnForte

Full Stack Developer | 12 January, 2023 - 10 April,2023

- Developed ForeverShop, a full-stack eCommerce application using the MERN stack, enhancing user engagement with intuitive UI/UX design.
- Implemented secure user authentication with jsonwebtoken and password hashing using bcrypt.
- Integrated payment processing using Stripe and Razorpay for seamless transactions.
- Managed file uploads and storage using Cloudinary and Multer for product images.
- Collaborated with team members in an Agile environment, participating in daily stand-ups and contributing to sprint planning.
- Conducted testing and debugging to improve application performance and fix issues, resulting in a seamless user experience.

RELEVANT PROJECTS:

RealEstate ,MERN Stack Project.

Aug 2024 - Aug 2024

- Developed RealEstate, a full-stack property management application using the MERN stack and Prisma for database management.
- Implemented secure user authentication with jsonwebtoken and bcrypt, while integrating real-time features using Socket.IO for live chat and notifications.
- Utilized Leaflet for interactive maps, allowing users to view property locations and navigate easily.

Instagram Clone ,React,Firebase.

Jul 2024 - Jul 2024

- Developed an Instagram clone using React and Firebase, incorporating user authentication and real-time database features.
- Utilized Chakra UI for responsive design and Framer Motion for smooth animations, while managing global state with Zustand for efficient state management across components.
- Leveraged React Firebase Hooks for seamless integration with Firebase services, simplifying data fetching and state management.

EDUCATION:

Dec 2020 - Jul 2024 | BMS Institute Of Technology,V.T.U

Bachelor of Engineering

CGPA Score:7.2
